Homework

In Year 3 children are expected to spend 1½ hours a week on homework tasks. This will consist of 30 minutes usage of Maths tutorial website, Mathletics, and 30 minutes English/Spellings every week. English and weekly spellings homework will be given out on a Tuesday and children need to return their completed homework by the following Tuesday. The other ½ hour of homework should be made up by reading for a minimum of 30 minutes a week. Home reading should be recorded in children's reading records and signed. Reading records will be expected in by Tuesday. In addition, once a fortnight children will be given 'talk homework'. This will be a topic to briefly discuss at home in preparation for a writing task the following day. We welcome your support in ensuring homework is completed/handed in on time.
