Homework

In Year 4 children are expected to spend 1½ hours per week on homework tasks. This will consist of 20 minutes Maths (mathletics), 20 minutes Literacy and 20 minutes spellings. All homework will be given out on a Wednesday and should be completed, to hand in, by the following Monday. The other ½ hour of homework should be made up by reading 10 minutes (minimum), 3 times a week. Home reading should be recorded in children's reading records and signed. Reading records will be expected in on a Monday. In addition, once a fortnight children will be given 'talk homework'. This will be a topic to briefly discuss at home in preparation for a writing task the following day. We welcome your support in ensuring that homework is completed and handed in at the appropriate time.
