Dear Parent/Carer

Fundraising for the National Deaf Children's Society

This year for Deaf Awareness Week (15th to 21st May), we will be raising money for the National Deaf Children's Society with a sign-a-thon. All children are invited to participate and they will have the choice of 4 different challenges with a range of difficulties. Everyone will have one week to complete their challenge. School Council would like you to sponsor your child. They can be sponsored by friends or family members. We think it will be great fun for all of CJS to challenge themselves. Sheets of sign language will be taken home so they can have extra support at home as well as in school. If you child achieves their target they will receive a certificate at the end of the week. Attached is the sponsor sheet. Please bring in the money with the sponsor sheet by Friday 26th May.

Yours faithfully

The School Council
