September 2017

Dear Parent/Carer,

Our school swimming pool is fantastic. The water is warm; the changing rooms are clean; the whole environment is safe and inviting. Our swimming pool is perfect for learning to swim, for learning good technique, for practising water skills, for learning vital water safety and personal survival skills. Most importantly it allows children to enjoy the water.

We want to keep our pool as fantastic as can be. All children benefit from learning to swim in warm water and we would like our pool to be at a more consistent warm temperature, even during the winter. In order to achieve this, we need to upgrade the pool heating system and unfortunately this is not possible using existing school funds.

We are planning a sponsored swim to raise funds to upgrade the pool heating system and keep our pool warm and enjoyable. The sponsored swim will take place during usual swimming lessons, with the number of widths or lengths counted.

We are kindly asking you to support our sponsored swim. All donations will be gratefully accepted and should be placed in a named envelope, then handed to the Classroom Teaching Assistant. The sponsor form is on the reverse of this letter.

Children know which games/swimming group they are in and the sponsored swim will take place on:

Group 1 and children from The Unit: week beginning 2nd October 2017

Group 2: week beginning 27<sup>th</sup> November 2017

Group 3: week beginning 15<sup>th</sup> January 2018

**Closing date for all donations will be Friday 9<sup>th</sup> February 2017, although earlier if possible.**

Thank you for your support.

Kindest regards

Miss Cole
