- 16th & 17th July - Parent-Teacher Consultations
- 16th - 20th July - Transition Week to CNS
- 23rd July - Trip to Pleasurewood Hills (Y6)

Homework

- Read every day for at least 20 minutes - reading to an adult is important as it allows the reader to develop fluency and accuracy and to talk about what they are reading. We believe that you are never too old or too good at reading to benefit from this.
- Learn the weekly spellings set by your child's class teacher. Going over these words once or twice a day will help your child to remember them, not just for a test but in their future work.
- Learn the maths facts and/or times tables set by your child's class teacher. These are important as they underpin all of the maths that your child will do in the rest of their time in education; knowing these facts will make it easier for your child to do maths, particularly as the ideas become more complex higher up the school and into high school.
- In Year 6 there will be some additional practice and revision work in English and Maths in preparation for SATs in May 2016 and for transition to high school.

If these activities are done regularly and thoroughly, it will make a big difference to your child's learning progress and confidence. There are also additional **optional** activities that your child can do if you wish, such as using Mathletics on a computer or researching a topic being studied in class.

Weekly Reminders

Mondays	Dinner money Reading Record in (6DG/6SF) Maths and English homework in (6DG/6SF) PE Kit (6SF)
Tuesdays	Games/Swimming Kit (6DG/6SF)
Wednesdays	School Library Books (6SF)
Thursdays	PE Kit (6DG) Homework Set
Friday	School Library Books (6DG) Talk Homework (fortnightly)

Curriculum Overview

Summer 2018

Year 6

Our curriculum has been designed to meet the requirements of the new National Curriculum (2014) whilst providing rich, meaningful and exciting learning opportunities for all children. Our aim is that our curriculum will inspire all children to develop a lifelong passion for learning.

Summer Term

Monday 16th April - Tuesday 24th July
Half Term
Monday 28th May - Friday 1st June

ENGLISH

'Kensuke's Kingdom' by
Michael Morpurgo.

FRENCH

Birthdays, describing
clothes, counting to
100.

HISTORY & GEOGRAPHY

Use the eight points of a compass
Four and six figure grid references
Ordnance survey maps

MATHS

Number, space, shape,
Fractions, data handling, Word
Problems, X-Tables, Mental
Strategies, Investigations.

SCIENCE

Animals Including Humans
(Circulatory system)
Impact of diet, exercise,
drugs and lifestyle.
Living Things.

Year 6 Summer Term Survival

PE

Games: Athletics and
Striking and Fielding.
Swimming
P.E: Games from other
places.

PSHE - RE

PSHE - Sex and
Relationships
'Fiver Challenge'
RE: Expressing faith
through the arts/
Worship and community.

MUSIC

Performance Skills - Alice.
Hip-Hop Music.

ART & DT

Den Building and campfire
cooking.
Cam models/ Moving vehicles

COMPUTING

Handling Data.
Coding-Flowol.
