Dear Parent/Carer

### Year 3 Farm Visit - Friday 15<sup>th</sup> June

As part of our learning about 'Nature in Norfolk' Year 3 will be visiting Easton Farm on Friday 15<sup>th</sup> June. During the visit the children will learn about different crops grown in Norfolk and their uses as well as visiting the cows, chickens, pigs and sheep. We will be leaving after morning registration and returning in time for the end of the school day.

Children will need to wear non-uniform and be dressed for outdoor learning. Legs must be covered with long trousers and children need to bring **wellies in a named disposable bag** as they will need to change into them when entering the farm, not before, and then disinfect them and remove them when leaving the farm. Children will also need a packed lunch, water bottle and any necessary medication or inhalers. If your child is entitled to a free school meal then a school packed lunch can be provided. As the trip is to a working farm please see the attached information sheet about health and safety arrangements.

To cover the cost of the visit and coach we are asking for donations of £10.00 per child and the trip will only be able to go ahead if sufficient donations are received. If your child is eligible for pupil premium funding then the cost of the trip will be covered, please tick the appropriate box on the reply form.

We believe that the trip will be an extremely valuable learning opportunity for the children and complement their study of plants and animals back at school. If you have any questions about the trip please feel free to speak to member of the Year 3 team at the end of the school day.

Yours faithfully

Miss K Harrison
