

Mrs Julie Sandford
Headteacher

South Park Avenue
Norwich NR4 7AU

31st October 2018

Dear Parent/Carer

Calculations Briefings

We would like to invite you to a calculations briefing, this is an opportunity for parents and carers to discover how calculation skills are taught across the school. The aims of the session are: to give a clear insight into how calculations skills are taught in the classroom and to give parents more confidence when supporting their children at home. Refreshments will be available and there will also be an opportunity at the end to talk to teachers. The sessions will be as follows:-

Years 3 and 4 - Monday 12th November 4pm to 5pm in the Pod.

Years 5 and 6 - Monday 19th November 4pm to 5pm in the Pod

We are also holding a further session to explain our developing mastery approach to teaching maths on Monday 26th November, again 4pm to 5pm in the Pod open to parents/carers of all years.

If you wish to attend any of the sessions, please complete and return the slip below by **Thursday 8th November**. This will help to give us an indication of the number of resources we need to prepare. We look forward to seeing you there.

Yours faithfully

Mr S Furlong
Maths Subject Leader
